**What you need to do immediately****If you agree with the amount due and you're not working with an IRS representative**

- Pay the amount due of \$35,841.90 immediately or we may file a Notice of Federal Tax Lien, the amount of interest will increase, and additional penalties may apply.
- Pay online or mail a check or money order with the attached payment stub. You can pay online now at [www.irs.gov/payments](http://www.irs.gov/payments).

If we notified you that we suspended enforced collection on your account because it would create a financial hardship (meaning you would be unable to pay basic reasonable living expenses if we levied) and your financial condition has not changed, you don't need to do anything.

**If you disagree with the amount due**

Call us at 800-829-8374 to review your account with a representative. Be sure to have your account information available when you call. We'll assume you agree with the information in this notice if we don't hear from you.

## What you need to know

007861

### Notice of Intent to Levy

This notice is your Notice of Intent to Levy (Internal Revenue Code Section 6331 (d)).

If we don't receive the amount due within 30 days from the date of *this notice*, we can levy your state tax refund. We may also serve a Disqualified Employment Tax Levy or a Federal Contractor Levy, as explained in the enclosed Publication 594, IRS Collection Process. In most other situations, before we levy on your property or rights to property, we'll send you a notice that gives you the opportunity to request a Collection Due Process hearing, unless you have already received one.

Property or rights to property includes:

- Wages, real estate commissions, and other income
- Bank accounts
- Personal assets (e.g., your car and home)
- Social Security benefits

### Right to request an appeal

If you don't agree with our intent to levy or file a Notice of Federal Tax Lien, you have the right to request an appeal under the Collection Appeals Program (CAP) before the collection action takes place. Please call 800-829-8374 or send us a Collection Appeal Request (Form 9423) to the address at the top of the notice within 30 days from the date of this notice. Note: The CAP is different from the Collection Due Process (CDP) Program. Please call 800-829-8374 if you have any questions about either of these programs. For more information about your appeal rights, see Publication 1660 (Collection Appeal Rights).

### Denial or revocation of United States passport

On December 4, 2015, as part of the Fixing America's Surface Transportation (FAST) Act, Congress enacted Section 7345 of the Internal Revenue Code, which requires the Internal Revenue Service to notify the State Department of taxpayers certified as owing a seriously delinquent tax debt. The FAST Act generally prohibits the State Department from issuing or renewing a passport to a taxpayer with seriously delinquent tax debt.

Seriously delinquent tax debt means an unpaid, legally enforceable federal tax debt of an individual totaling more than \$52,000 that has been assessed and for which a Notice of Federal Tax Lien has been filed and all administrative remedies under IRC Section 6320 have lapsed or been exhausted, or a levy has been issued. If you are individually liable for tax debt (including penalties and interest) totaling more than \$52,000 and you do not pay the amount you owe or make alternate arrangements to pay, we may notify the State Department that your tax debt is seriously delinquent. The State Department generally will not issue or renew a passport to you after we make this notification. If you currently have a valid passport, the State Department may revoke your passport or limit your ability to travel outside of the United States. Additional information on passport certification is available at [www.irs.gov/passports](http://www.irs.gov/passports).

**Payment options**

Pay online, by phone, or with a mobile device. Visit [IRS.gov/payments](https://www.irs.gov/payments) or the IRS2Go mobile app for all IRS payment options.

If you plan to mail a payment, consider the electronic options at [IRS.gov/payments](https://www.irs.gov/payments) first. It's free to pay from a bank account (Direct Pay) or the Electronics Federal Tax Payment System (EFTPS). You can also schedule payments and receive email notifications.

If you pay by check, money order, or cashier's check, make sure it's payable to the U.S. Treasury.

Can't pay it all now?

- Apply for a payment plan (installment agreement) at [IRS.gov/OPA](https://www.irs.gov/OPA)
- Consider an offer in compromise at [IRS.gov/OIC](https://www.irs.gov/OIC)
- Request a temporary collection delay at [IRS.gov/tempcollectiondelay](https://www.irs.gov/tempcollectiondelay)

To view the amount you owe and your payment history visit [IRS.gov/account](https://www.irs.gov/account).

**If we don't hear from you**

If you have not paid the debt already, a federal tax lien has arisen as a claim against all your property. If you don't pay the amount due immediately or make payment arrangements, we can file a Notice of Federal Tax Lien (NFTL) publicly establishing our priority with your creditors and we may levy (subject to any applicable Collection Due Process rights).

If we file the NFTL, it may be difficult to sell or borrow against your property. The NFTL may also appear on your credit report.

**Penalties**

We are required by law to charge any applicable penalties.

**Failure-to-pay**

Description	Amount
Total failure-to-pay	\$319.09

We assess a 1/2% monthly penalty for not paying the tax you owe by the due date. We base the monthly penalty for paying late on the net unpaid tax at the beginning of each penalty month following the payment due date for that tax. This penalty applies even if you filed the return on time. We charge the penalty for each month or part of a month the payment is late; however, the penalty can't be more than 25% in total.

- The due date for the payment of the tax shown on a return generally is the return due date, without regard to extensions
- The due date for paying increases in tax is within 21 days of the date of our notice demanding payment (10 business days if the amount in the notice is \$100,000 or more)

If we issue a Notice of Intent to Levy and you don't pay the balance due within 10 days of the date of the notice, the penalty for paying late increases to 1% per month.

For individuals who filed on time, the penalty decreases to 1/4% per month while an approved installment agreement with the IRS is in effect for payment of that tax. (Internal Revenue Code Section 6651)

For a detailed calculation of your penalty charges, call 800-829-8374.

**Penalties—continued**

**Removal or reduction of penalties**

We understand that circumstances—such as serious illness or injury, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

We can generally process your request for penalty removal or reduction quicker if you contact us at the number listed above with the following information:

- Identify which penalty charges you would like us to reconsider (e.g., 2016 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.

If you write us, include a signed statement and supporting documentation for penalty abatement request.

We'll review your request and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

You may qualify to have certain penalties removed based on a clean history. For more information visit the IRS on the web at [www.irs.gov](http://www.irs.gov) and search for key words "first time abate."

**Removal of penalties due to erroneous written advice from the IRS**

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- You wrote us asking for advice on a specific issue
- You gave us adequate and accurate information
- You received written advice from us
- You reasonably relied on our written advice and were penalized based on that advice

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the address shown above. For a copy of the form, go to [www.irs.gov](http://www.irs.gov) or call 800-TAX-FORM (800-829-3676).

**Interest charges**

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601)

Description	Amount
<b>Total interest</b>	<b>\$270.81</b>

The table below shows the rates used to calculate the interest on your unpaid amount due. For a detailed calculation of your interest, call 800-829-8374.
